Meet the smarter

**ACTIVA 125** | **ACTIVA 110**

with a TFT meter and Honda RoadSync App.  
Stay connected to navigation, calls,  
messages, music, and weather.  
Enjoy real-time updates, smart features,  
and a stylish design for a seamless ride.

# Smart Key

With **H-Smart** Technology

The Honda Smart Key, powered by H-Smart technology enhances your Activa experience from the moment you unlock it, offering a range of features designed for ultimate convenience.

## **Smart**FIND

Searching for your ride in a crowded parking or low-light conditions can be frustrating and the answer back feature solves it.

## **Smart**SAFE

Your Activa stays secure, even when you're not around.

## **Smart**UNLOCK

No need to fumble for your key- Honda Smart Key makes unlocking effortless.

## **Smart**START

Start your Activa 125 or 110 without even taking the key out of your pocket.

# ***TFT Screen Display***

Get a fully-loaded meter featuring superb day and night-time visibility with its 10.67cm TFT display that provides multi-angle visibility, thus ensuring high image quality. Optimize your screen viewing experience with three adjustable brightness levels.

\*The TFT Screen shown is of the Activa 125.

# Honda RoadSync

The Honda RoadSync App connects your smartphone to your Activa via Bluetooth, enabling you to access essential functions such as navigation, calls, texts, and music without interrupting your ride.

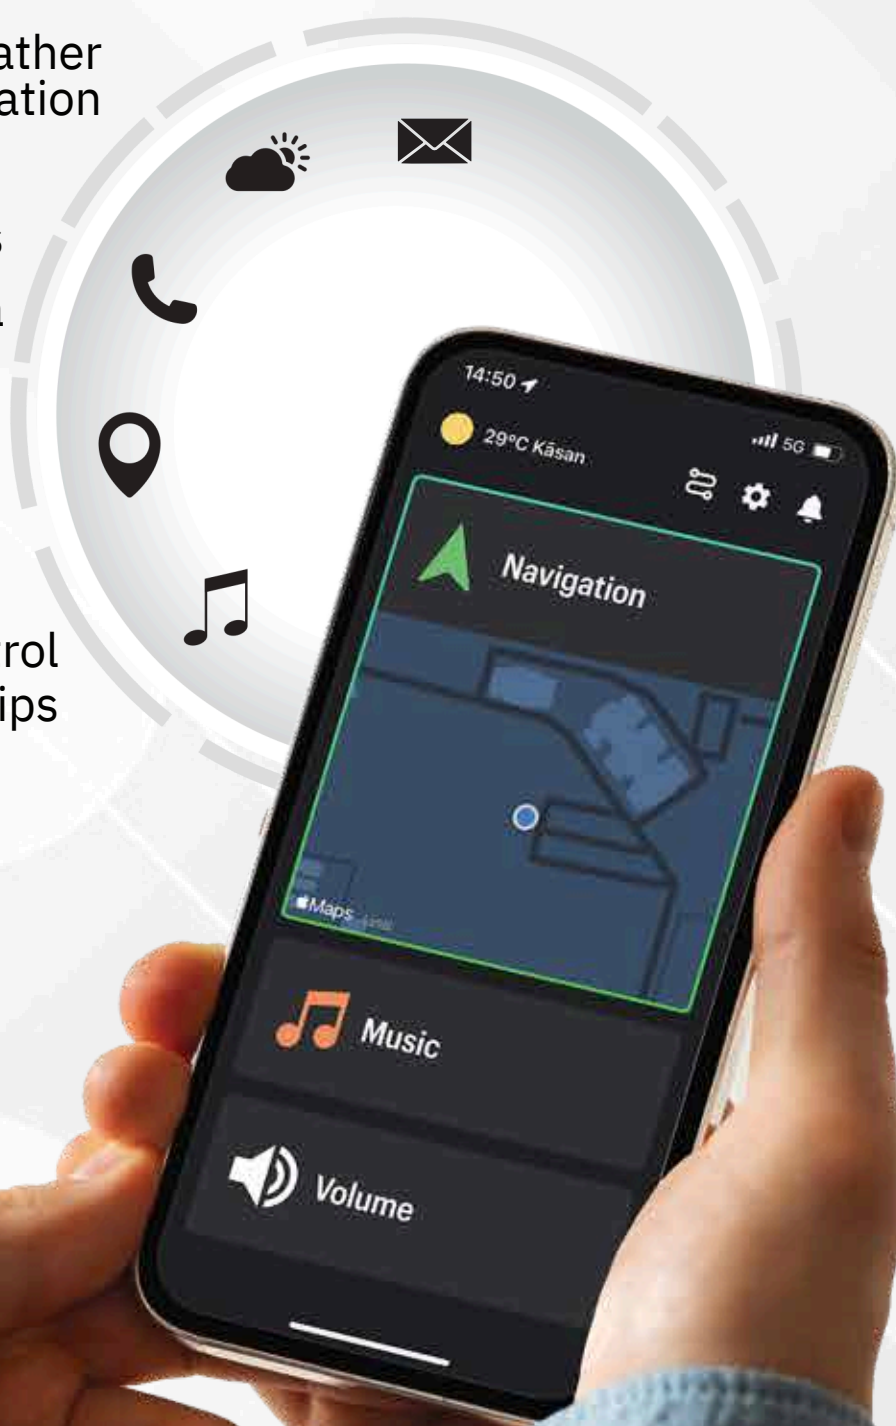

Manage messages  
via voice commands

Get real-time weather  
updates for any location

Manage and make calls  
directly from your Activa

Use turn-by-turn navigation  
to reach anywhere

Enjoy music control  
at your fingertips

# Steps to Connect Honda RoadSync

## Step 1: Download and Set Up

- Install the Honda RoadSync app from the app store.
- Grant the required permissions.

## Step 2: Connect Your Device

- Provide access to the app.
- Choose your model & set up Bluetooth with handle switch.

## Step 3: Pair and Sign In

- Pair the device with the app.
- Login using the account of your preference.

# ***Smart Design, Stylish Presence.***

Make a style statement with your  
Activa 125 & 110's designs that blend  
everyday convenience with standout styling.

### ***LED Headlamp and Signature LED Position Lamp***

The elegant LED headlamp with a signature position lamp elevates the Activa 125 and Activa 110's style to new heights.

### ***Premium Chrome Stroke on Side Panel***

Elegantly carved Activa 125 and 110 logos on the side panels with chrome detailings add a premium touch.

### ***Seat and Inner Panel***

Sophisticated, premium feel, and enhanced appeal with an elegant premium brown seat (Activa 125) or black seat (Activa 110).

### ***Striking Tail Lamp***

A bold X-shaped tail lamp design that captures attention & leaves a lasting impression.

### ***Idling Stop System***

The Advanced Idling Stop System seamlessly shuts off the Activa 125's engine during brief stops for effortless convenience, while on the Activa 110, it smartly conserves fuel with Idling Stop System.

### ***15W USB-C Port***

Charge your smartphone, earphones, power bank on-the-go, with all device compatibility.

### ***Multi-Function Switch Unit***

An iconic blue back-lit knob with a compact switch that combines safety, style, and effortless convenience.

### ***Double Lid External Fuel Fill***

Refuel while seated, thanks to the convenience of double-lid fuel access.

### ***Open Glove Box***

A spacious open glove box provides extra storage for essentials.

# ***Smart Technology***

The Activa 125 and 110 are packed with cutting-edge smart features and the latest technology to enhance your riding experience.

Experience advanced technology that enhances combustion, performance and fuel efficiency like never before.

***Powerful 125cc and 110cc Engines***

Top-tier power and acceleration to make rides exciting.

***Silent Start with ACG***

Experience smooth and silent starts with reduced gear noise and maintenance.

Intelligent PGM-FI system for optimum air-fuel ratio that provides superior performance, fuel savings, and reliable starts in any weather and lowered emissions.

# ***Smart Mileage Indications***

The Activa features a digital meter to monitor fuel consumption, efficiency, and remaining distance during your ride.

## ***Real-Time Mileage***

It displays live fuel efficiency throughout the ride.

## ***Average Mileage***

It displays overall fuel consumption during the trip.

## ***Distance To Empty***

It displays the distance you can travel with remaining fuel in the tank.

## ***Eco-Indicator***

Tracks real-time driving conditions to maintain fuel efficiency on a real-time basis.

# ***Reliability & Comfort***

With Honda's ever-trusted legacy, the Activa ensures every ride is smooth, dependable, and comfortable.

***ACTIVA 125***

***ACTIVA 110***

### ***Front and Rear Alloy Wheels***

Enhance the appearance of your Activa with alloy wheels, providing improved stability and durability.

### ***Side Stand Engine Cut-Off***

When the side stand is open the side stand engine Cut-off prevents the engine from starting.

### ***Telescopic Front Suspension***

Every ride made extra comfortable with telescopic front suspension.

### ***Fuel-Efficient Tubeless Tyres***

Enhanced grip, better mileage, and safer rides with Honda's advanced technology.
